

NEW ProLok™

Peristaltic Tubing

Benefits

- Twice the surface area of the industry standard tab, providing a stronger bond to the tubing.
- Eliminates premature failure of pump tubing due to loose tabs.
- Eliminates the need for excessive adhesive which can degrade the elasticity of the tubing.
- Crafted from high-quality Tygon® material, this product delivers premium performance and exceptional consistency.
- Precisely controlled tab spacing designed to meet and exceed industry standards for ICP-OES and ICP-MS peristaltic pumps.
